

BE A PART OF HISTORY

Freedom holds a special place in the hearts and memories of people from all over the world. Now you can leave a lasting impression at one of America's favorite destinations, Lake Havasu City, Arizona.

Lake Havasu City's Memorial Walkway is an inspiring walkway along the banks of the Bridgewater Channel. It is being constructed of commemorative bricks that you may donate. You can personalize your brick to contain your name, hometown, and state. Honor a veteran, your family, or even your employees. You could even personalize your inscription with the date of a special occasion, such as a wedding, birthday, or anniversary. Your brick becomes a permanent memory of your most treasured event.

Beginning at the world-famous London Bridge, the Memorial Walkway winds along a beautifully landscaped, tree-lined path that will soon connect to America's world-class attraction, the Freedom Bridge and Freedom Memorial Park, a park that will honor our veterans.

Your colorful brick donation receipt can be a beautiful gift reminder to anyone you choose.

Please sponsor a piece of Lake Havasu City's Bridgewater Channel Memorial Walkway and leave a legacy that future visitors will come to see, while at the same time showing your support to those who have fought and served to protect our freedoms.

It's a gift and a memorial that will last many lifetimes..
